Dear Applicant,

This email confirms your Application for Port Permit (APP) was received and processed by the Port of Los Angeles Planning & Strategy Division on 09/13/16. For any questions regarding your application, please reference APP# 160913-132.

We are in the process of reviewing your application for completeness. You will be notified within thirty (30) calendar days if your application is deemed complete, or if additional information will be needed.

Please remember that:

- Projects that are exempt from both CEQA and the Coastal Development Permit requirements can be approved and a Harbor Engineer's Permit issued within thirty (30) to sixty (60) days from when the Application is deemed complete.
- Projects that require a Negative Declaration and/or a Level I Coastal Development Permit can be approved and a Harbor Engineer's Permit issued within six (6) months from when the Application is deemed complete.
- Projects that require an Environmental Impact Report and/or a Level II Coastal Development Permit may take twelve (12) to eighteen (18) months from when the Application is deemed complete to be approved and a Harbor Engineer's Permit to be issued. Projects that require an Environmental Impact Statement (EIS) pursuant to NEPA may be subject to additional time requirements.

More detailed information about the APP process, can be found in the "Instructions for Filing an Application for Port Permits" manual: [http://www.portoflosangeles.org/forms/Instructions\\_to\\_file\\_an\\_APP.pdf](http://www.portoflosangeles.org/forms/Instructions_to_file_an_APP.pdf)

Sincerely,

**Karine Lurvey**
